 we're hanging out at the park. anybody is welcome to come

 did anyone see that crash on 4th street?

 massive rave going on the main st and vermont

 i saw cops and ambulances at the community college. anyone know what's going on?

 man i hate my car

post: 156  
skill issue clearly. that car is amazing

post: 157  
yeah im with 155. that car sucks

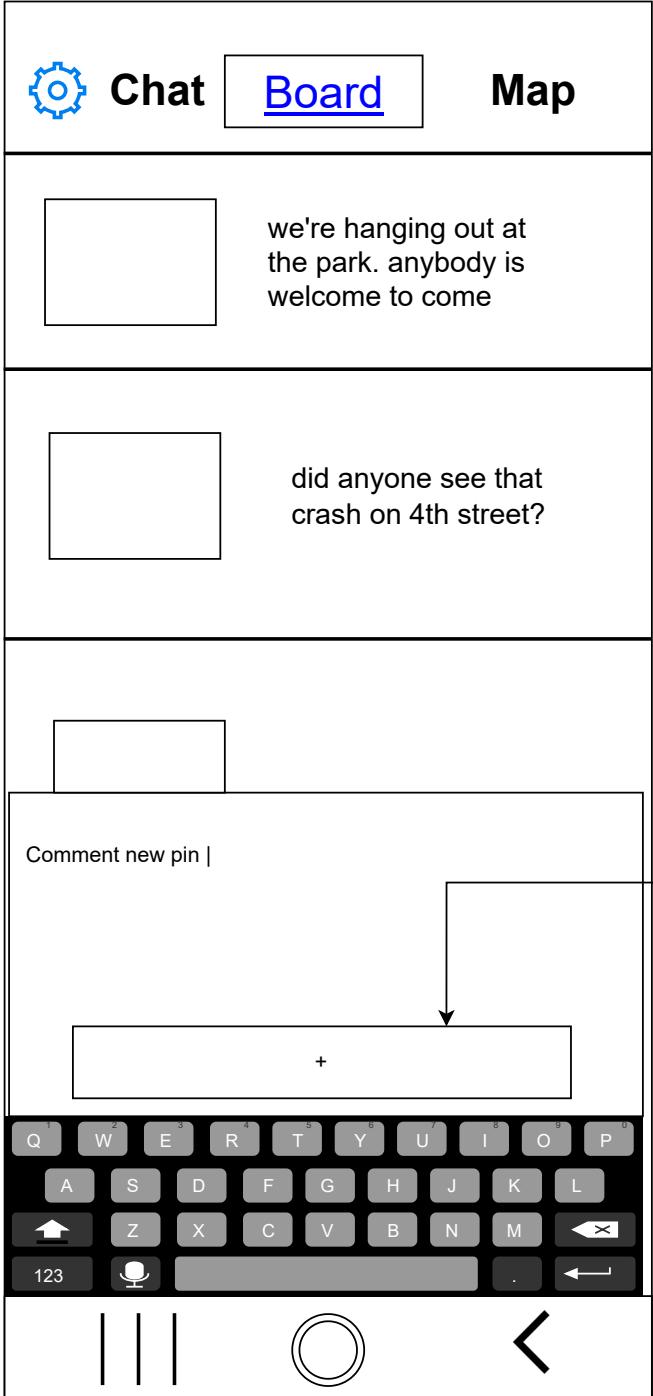

post: 158  
My boss has been giving me way too much work. I just get stacks and stacks of paperwork and everyone else leaves early.

## Plus indicating access to pin creation tab^

**Pin Maker**  
**(+ has been clicked)**

The interface shows a list of three pins:

- we're hanging out at the park. anybody is welcome to come
- did anyone see that crash on 4th street?
- (third pin partially visible)

Below the pins is a comment input field:

Comment new pin |

A large blue rectangular button with a white plus sign (+) is located at the bottom center of the screen.

At the very bottom is a virtual keyboard.

When + is clicked  
in an extra context  
menu is opened

- Add image**
- Add location**
- Add date**
